Dear Parent or Guardian,

Your child is being asked to take a survey at school. The California Department of Education requires schools and districts to ask students about alcohol, tobacco, and other drug issues, as well as questions about school safety and the learning environment. Participation in the survey is voluntary on the part of the student, however we hope you will give permission so that your child's opinion and knowledge can be part of the information gleaned from the survey.

The survey is anonymous. No names or any other identifying information is connected to the answers except for the name of the school. If you have questions, please contact Mr. Reeder, Superintendent/ Principal, at (530) 822-5151.

If you wish to view the survey, you may do so at the school office or on-line  
[www.franklin.k12.ca.us](http://www.franklin.k12.ca.us) .

Thank you in advance for completing the Parent Consent Form on the back of this letter and returning it to Franklin School in a timely fashion.

Sincerely,

Douglas B. Reeder  
Superintendent/ Principal
